

### Mission Statement DRAFT 1

**The Mission** of the Master Gardener Foundation of Yakima (MGFY) fulfills the need for research-based horticultural education and environmental stewardship. Citizens of all ages benefit from the Foundation Leadership, in collaboration with the Program Advisory Board, which provides leadership, guidance, and resources for the Master Gardener Program and fosters financial stability.

### Mission Statement – Final

The Master Gardener Foundation of Yakima County's Purpose is to fund and grow our county program, which values gardening education and environmental stewardship for all ages.
